Our cruise and meeting were hosted by Roger and Shirley Nagel. The cruise started at the Hobby Lobby parking lot where Roger and Shirley welcomed us with an assortment of delicious doughnuts, muffins and bottled water. In attendance were Roger & Shirley Nagel, Ron Pelc & Jackie Frost, Steven &

Norma Johnson, Ray & Evie Deselms, Lynn Kossow & Lori Dean, and Ron Bush.

Our destination was to the *Chateau Aeronalique Blue Skies Brewery Mile High Distillery* in Onstead, MI. A shout out to Ray & Evie Deselms for putting together a map and directions. The drive was full of twist and turns (which was delightful) through the country side up to the lake. We were greeted by a wonderful staff!! As soon as we got ourselves organized we were given a tour of the facilities. There are two other facilities like this one in Auburn Hills and Jackson, MI. They make an assortment of beer, wine, ice wine, bourbon, etc.

After we put our food order in, President Steven Johnson called the meeting to order. He first thanked Roger and Shirley Nagel for putting together this event and then wished Roger Nagel a happy birthday. There were no other birthdays or anniversaries for August.

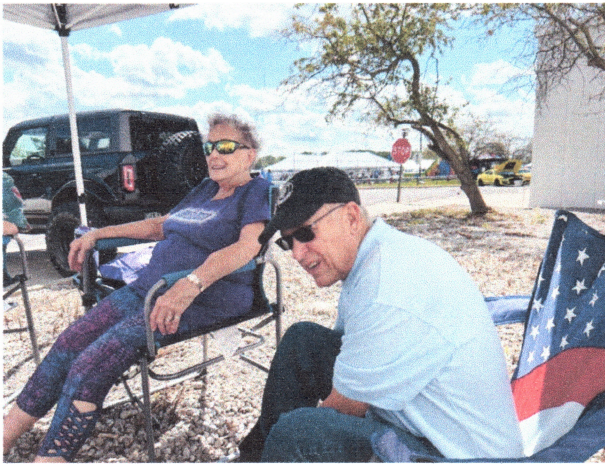

Norma Johnson read the secretary notes from July and they were excepted by 1st- Ron Bush and 2nd by Lynn Kossow.

No report from our Vice-President Don Monroe as he was absent.

Ron Pelc gave his treasury report. Our balance remained the same from July.

Old business- The Ford Assembly plant's (in Flat Rock) open house was good. They allowed us to park inside the gate with all the mustangs. In attendance were Seymour Bray, Jim & Jan Wells, Lee Stoner and Norma & Steven Johnson. We had good weather, good food and good company!!! We were able to hop on the trolley and take a tour through the factory. We are still trying to put a working tour for next year in the plant.

Ron Bush is still interested in putting a cruise together for the Millbury Car Museum. Details to follow.

Cars were 55, 56, 57 & 65

New business- Elections are coming up. If you are interested in running for an office, please let us know.

Steven Johnson asked if anyone would be interested in doing the 30th Anniversary Woodward Dream Cruise next year.

Next month we will meet at A J's Doolittle's in Lambertville, MI at noon on Sunday the 22nd of September.

Motion to close the meeting was 1st by Norma Johnson and 2nd by Ray Deselms
